Waiver Advisory Council

- Advisory Council meets Quarterly
- Looking for new members
- If you are interested or have a consumer that may be interested please email Mary Ives at mary.ives@po.state.ct.us
- Advisory Council will be holding a consumer forum in the Spring to celebrate the second year of the Waiver. (more info will come)

Mission Statement

The purpose of the Waiver Advisory Council is to provide opportunity for input from individuals and families receiving DMHAS waiver supports and services as well as other interested parties, to review key quality findings and data trends in order to make recommendations for system improvement.

WAIVER PROVIDERS

Waiver Services	# of Providers
Assertive Community Action	2
Community Support Program	18
Recovery Assistant	11
Supported Employment	5
Peer Support	1

ABH Claims System

- ABH just completed a full audit of all submitted claims which yielded a report of billing inaccuracies.
 - Most common being Providers recording the wrong \$ amount or unit amount on the CMS 1500.
 - The ABH claims system is now automated directly with HP (company who pays the Medicaid claims in CT)
 - Please review claims in to ensure they are accurate as standard billing practice is to pay the lesser amount.
-

ABH Provider Customer Service

WISE Program Contact Sheets have been sent to your agency, if you have not done so already please complete and send back to LaReese.
